EXCITING PROGRAM ADDITIONS

OOBTV3, Old Orchard Beach's government and education television channel, is pleased to announce some exciting new programming planned for the cold winter months. Starting in mid-November we will be adding new programming to our schedule. These programs have been provided free of charge from organizations and individuals who support our mission to entertain and inform our residents and visitors.

Some of the programs planned are:

- The Better Business Bureau Today– An informative 20 minute discussion of the services provided by the BBB.
- Army Newswatch– Information and news regarding our military forces worldwide.
- Cancer Community Center– An informational video explaining the services and challenges of the Center located in South Portland.
- Disc Golf– Learn all about this addictive new sport sweeping the nation.
- The Sugarhouse Journal– Alternate energy sources and maple syrup production videos.
- IOSEA Marine Turtle MOU– an agreement to protect, conserve and replenish sea turtles world wide.
- 16th Annual OOB Car Show- 350 show cars competed for trophies and prizes.
- Recycle, Recycle, Recycle– OOB's Recycle Committee teaches you the ease and importance of recycling.
- Out My Front Window– Scenes of the OOB beach during fall & winter ....you'll want to tape this one!!!!
