Old Orchard Beach, Maine 04064

Dear Old Orchard Beach Resident,

We understand first hand how difficult it is to plow and/or remove snow during the winter months. Our responsibility is to keep the public roads and walkways safe for all vehicular and pedestrian traffic to the best of our ability. Our entire workforce works diligently on this effort and we need your cooperation to maintain open roadways and sidewalks as well as clear site distances.

When plowing your own private property, snow cannot be added to the public right-of-way, plowed across the street or blocking the sight distance of vehicular traffic. This letter will serve as your first warning of this offense. For the second offense, Old Orchard Police Department will issue a traffic violation ticket for “Hindering Snow Removal” (\$30 fine); and/or “Obstruction of Pedestrian Traffic” (\$20 fine). If there continues to be a problem with snow plowing or the need to remove snow from private property, public works will remove the snow and you will be charged for overtime rates and equipment.

Our goal is to maintain safe passage; therefore, we appreciate your prompt attention to this unsafe condition and expect immediate corrective action. Thank you for your cooperation.

Sincerely,

Michael Perrone,
Operations Foreman of Public Works
