

# FREE Movie Nights

Libby Library is offering two movie nights a month on the second and fourth Friday nights each month. The first movie night is family oriented and will be either a G or PG rated movie. The second movie night is aimed for a teen aged audience and will be a PG or PG-13 rated movie. Movies begin at 6:30 PM and the library doors will open at 6:15. Both movies are open to everyone and are free of charge. Space is limited so we ask that you call the library at 934-4351 in advance to reserve seating. This program was very generously sponsored by the Friends of Libby Library.
