Saco Learning Center, 80 Common Street

Personal Support Specialists are in demand! Learn the basics of providing personal care through classroom and hands on hours. Perform tasks in a clinical environment to give you the confidence you need to secure a job in this field. With 50 hours for your PSS Certificate and 6 hours for CPR and First Aid Certification, you will feel comfortable upon completion and confident to perform as a Personal Support Specialist in assisted living facilities or in the home through a home care agency. Course fee includes the cost of textbooks and supplies. Payment plans available for qualified applicants.

Fri 9am-4pm 4/30-6/18
