ARTICLE 12: To see what sum the Regional School Unit will appropriate for the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and to see what sum the Regional School Unit will raise and assess as each municipality's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688. **Recommended amounts set forth below:**

Total Appropriated (by municipality):		Total raised (and Regional School Unit assessments by municipality):	
Town of Dayton:	\$ 3,443,263.97	Town of Dayton:	\$ 1,320,182.50
Town of Old Orchard Beach:	\$ 7,361,913.98	Town of Old Orchard Beach:	\$ 6,835,507.98
City of Saco:	\$23,856,204.95	City of Saco:	\$13,825,129.50
Regional School Unit Total Appropriated		Regional School Unit Total Raised:	
(Sum of above)	\$34,661,382.90	(Sum of above)	\$21,980,819.98

Explanation: The Regional School Unit's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that the Regional School Unit must raise and assess in order to receive the full amount of state dollars.

ARTICLE 13: To see what sum the Regional School Unit will raise and appropriate for the annual payments on debt service previously approved by the Regional School Unit voters for non-state-funded school construction projects, non-state-funded portions of school construction projects and minor capital projects in addition to the funds appropriated as the local share of the Regional School Unit's contribution to the total cost of funding public education from kindergarten to grade 12.

Regional School Unit Board Recommends \$597,466.00

Explanation: Non-state-funded debt service is the amount of money needed for the annual payments on the Regional School Unit's long-term debt for major capital school construction projects and minor capital renovation projects that are not approved for state subsidy. The bonding of this long-term debt was previously approved by the Regional School Unit voters.

ARTICLE 14: (Written ballot required). To see what sum the Regional School Unit will raise and appropriate in additional local funds (**Recommend \$7,475,272.00**), which exceeds the State's Essential Programs and Services allocation model by (**Recommend \$6,609,523.00**) as required to fund the budget recommended by the Regional School Unit Board.

The Regional School Unit Board recommends \$7,475,272.00 for additional local funds and gives the following reasons for exceeding the State's Essential Programs and Services funding model by \$6,609,523.00: The State's funding model does not recognize the costs of local schools, including personnel, curriculum and co-curricular costs.

Explanation: The additional local funds are those locally raised funds over and above the Regional School Unit's local contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the Regional School Unit budget for educational programs.

ARTICLE 16: In addition to amounts approved in the preceding articles, shall the Regional School Unit Board be authorized to expend federal stabilization funds and such other sums as may be received from federal or state grants or programs or other sources during the fiscal year for school purposes, provided that such grants, programs or other sources do not require the expenditure of other funds not previously appropriated?

Note: It is currently estimated that the Regional School Unit Board will receive **\$908,576.00** in federal stabilization funds, which are included in the expenditures authorized by this article.
