

It's that time of year; summer is on its way!

This is just a helpful reminder that the boat registration renewal online service is available to your citizens at <https://www.maine.gov/online/boat>

Looking for some useful materials to help you get the word out about this great service? We have just the thing! On the Welcome tab of your municipal administrative site, you will find informative posters to print as well as icons which can be placed directly on your Municipal Website. Your administrative webpage is located at <https://www5.informe.org/cgi-bin/online/boat/admin/municipal/welcome.pl> and you will simply need to sign in using your assigned username and password.

If it has been awhile since you signed up for the service you may need a refresher regarding its administrative functions. At this URL <https://cc.readytalk.com/play?id=8qlc79dk> we have provided a demonstration that gives step by step instructions on how to utilize the admin features.

As always, if at any time you have questions, your municipal service contacts at InforME are Lesley McCaw and Dustin Biggs. They can be reached at:

Lesley: 207-621-2600 ext. 034 or lesley@informe.org

Dustin: 207-621-2600 ext. 039 or dbiggs@informe.org

In the future, we will also have a Frequently Asked Questions tab on your administrative site that will allow you to troubleshoot some of your most frequently asked questions.

We would like to thank you again for participating in the boat registration renewal online service! We look forward to serving you and your citizens.

Best Regards,

Informe/ Maine.gov--
