RECYCLING'S "SILVER BULLET" ARRIVES IN OLD ORCHARD BEACH

At approximately 3:30 p.m. today in the Radley's Market Parking lot, Old Orchard Beach residents will see the arrival of the first "Silver Bullet" in our community. BBI is scheduled to drop the dumpster in the Cascade Plaza Parking Lot at approximately 2:00 p.m. and a dedication ceremony is scheduled for 3:30 p.m. The public is cordially invited to attend this dedication.

The Old Orchard Beach Recycling Committee and the Town's Public Works Department have collaborated on this recycling project. The single sort recycling bin will go a long way toward improving our Town's recycling performance. The Committee will express publicly their appreciation to Donald Radley and his son, Edward, owners of Radley's Market, for their willingness to permit the Silver Bullet to be placed in their parking lot.

Ecomaine has provided the Silver Bullet free of charge and the removal and replacement will be handled by Blow Brothers. The presence of a silver bullet in prominent locations throughout the Town will be a strong reminder to residents and visitors alike that Old Orchard Beach takes recycling seriously. John Weaver and Jetta Antonakas serve as Chair and Vice Chair of the Recycling Committee.
