May 30, 2012

Meeting called to order at 7:00 PM.

In attendance: Libby Blackman, Fred Dolgan, Patricia Carruthers

Item #1: Skipped

Item #2: Discussion of financials. Fred did not believe the numbers accurately reflect the level of recycling occurring and would prefer to see the silver bullet numbers separated.

The discussion of the financials led into a discussion about the current ordinance. Trish Carruthers requested the committee begin working on rewriting the ordinance. Fred Dolgan stated he preferred to speak to town councilor Robin Dayton prior to doing this.

Item #4: Fred Dolgan brought up the new cardboard only recycling container at the DPW and asked the committee if he felt such a container would be beneficial at Radleys and would like to follow up.

Item #5: Fred Dolgan brought up opportunities to be more effective. Discussion was brought back to the rewrite of the ordinance.
