#### **PUBLIC HEARING - ORDINANCE AMENDMENTS:**

Shall the Town amend the Code of Ordinances, Chapter 58, Utilities, Section 58-58, Reimbursement of costs to residents, by changing the total septic reimbursement from \$250 to \$325.

Chair: Shawn O'Neill

This was brought to the Town Manager's attention because the average cost for annual septic maintenance has gone up to \$325.00, and the current ordinance caps the reimbursement at \$250.00. This ordinance change would bring the reimbursement costs up to the current amount charged. The last time the ordinance was updated was in 2007.

Chair: Shawn O'Neill

**Discussion with Action:** Amend the Parking Permit Policy to reflect the change from May 1st to the Friday before Memorial Day, to match the ordinance amended 9/3/2024; Chapter 54, Traffic and Vehicles, Section 114, Milliken Street Parking Lot; Section 115, Memorial Park Parking Lot; Section 142, Parking at expired meters and overtime parking; Section 160, Motorcycles; and Section 187, Restrictions and prohibitions, Town Hall.

Chair: Shawn O'Neill

This is a housecleaning item where the Parking Permit Policy is being changed to reflect the ordinance changes that were previously approved by Council September 3, 2024. The dates were changed from May 1<sup>st</sup> to the Friday before Memorial Day.

**Discussion with Action:** Approve a line item transfer of \$62,600 from 20197-50395 Debt Service Interest Expense with a balance of \$636,305.25 to account 20197-50330 Lease Purchase Debt Service with a balance of \$20,085.53

Chair: Shawn O'Neill

This item is being requested to fund the Public Works lease purchase agreement for the street sweeper replacement. Council asked the Town Manager and Public Works Director to research several options to ensure the most cost-effective option for the Town:

- 1. The standard lease purchase agreement \$62,600 annually
- 2. 5-year lease agreement (turn equipment back in after 5 years) \$76,611 annually
- 3. Outsourcing the Town's street sweeping responsibilities based on the Town's needs third party contractors would not bid, because they could not meet the Town's street sweeping schedule successfully.

The lease purchase agreement at 5.19% with annual payments of \$62,600 is the best option for the Town. The following two agenda items relate to the purchase of the street sweeper.

**Discussion with Action:** Shall the Council approve Order # 2025-1, entitled, "Order to Authorize Lease Purchase of One (1) New Street Sweeper in the Principal Amount of \$283,500".

Chair: Shawn O'Neill

All leases over \$100,000 require bond counsel legal opinion in order for it to meet the tax-exempt qualifications, which requires a Council Order.

**Discussion with Action:** Approve the quote from Allied Equipment, LLC for the purchase of a new 2025 Global M3 High Performance Mechanical Street Sweeper in the amount of \$283,500.00 to be funded by a tax-exempt lease purchase agreement through Androscoggin Bank, at 5.19% with annual payments for five (5) years in the amount of \$62,600.00 from account number 20197-50330 Lease Purchase Debt Service with a balance of \$82,685.53.

Chair: Shawn O'Neill

The Public Works department's street sweeper is not operational and needs \$70,000 in repairs. After reaching out to vendors, we received pricing on a street sweeper that met the Town's specification, is available now and will take the old street sweeper as a trade. Public Works will have the new street sweeper ahead of the spring clean up schedule.

**Discussion with Action:** Approve the proposal from Woodard & Curran for Value Engineering, Construction Inspection and Administration services for the Veteran's Memorial Park Improvements Project for a total amount not to exceed \$55,000 from the following accounts: \$4,500.00 from account number 20152-50300 Veterans Memorial Park Professional Engineering with a balance of \$4,500.00, and \$50,500 from account number 50002-50812 CIP Memorial Park Improvements with a balance of \$854,125.44.

Chair: Shawn O'Neill

The Town has been using Woodard and Curran for design and engineering services for the Veteran's Memorial Park improvements project and would like for them to continue overseeing the construction administration of the park.

**Discussion with Action:** Approve the bid from RJ Grondin and Sons, Gorham, ME for the Veteran's Memorial Park Improvements for a total amount not to exceed \$1,100,000.00 from account number 50002-50812 CIP – Memorial Park Improvements with a balance of \$854,125.44, and the balance of \$296,374.56 to be appropriated in the FY 26 CIP – Memorial Park Improvements account number 50002-50812

Chair: Shawn O'Neill

The Town sought bids for the Veteran's Memorial Park Improvements project. One (1) bid was received from R.J. Grondin and Sons of Gorham and evaluated. The quoted price came in above the budgeted amount, and Woodard and Curran, the engineers for this project, have been working with the bidder on bid reduction options. These options were discussed earlier in the presentation and presented to the Memorial Park Committee last week. The Town Council and the Park Committee have been working on get this project to this point for over 5 years.

The Council discussed adding the light budget back into the project to add lights now – Councilor Tousignant asked GK if he would be approachable to adding the rear lights based on fund raising efforts – Councilor Tousignant – feels there's a need for lighting on the pathways regardless – GK – is good with raising funds regardless for the Town to expend as needed – Chairman O'Neill – new FY26 appropriation would be \$377,174.56 if \$80,800 for lighting was added back in – Motion to approve amended amounts of \$1,180,800.00 and \$377,174.56: Councilor Tousignant Second: Councilor Reid Vote: 4-0

Motion to approve as written: Councilor Tousignant Second: Councilor Reid Vote: 4-0

#### ADJOURNMENT

Chair: Shawn O'Neill

Motion to adjourn @ 7:47 pm: Councilor Tousignant Second: Councilor Rague Vote: 4-0
